Prologue . . .

(Why do we have to tap the hidden job market?)

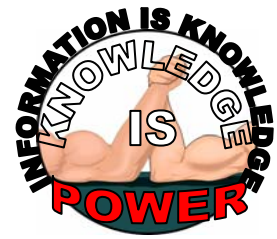

..... Because we need a job!

We try to find a job and fix the problem by sending resumes . . . Yes, hundreds of resumes

A detailed photograph of an "APPLICATION FOR EMPLOYMENT" form, titled "Crew Member". The form includes sections for "PLEASE PRINT IN INK", "EDUCATION", "WORK EXPERIENCE", and "GENERAL". It contains various fields for personal information, education, and work history, along with a grid for skills or languages.

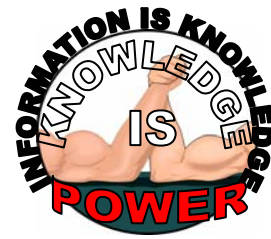

. . . But,

What are the results?

- **No response from employers**
- **Regrets from others**
- **Frustration**
- **Depression**

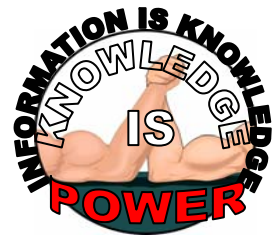

What are our other options?

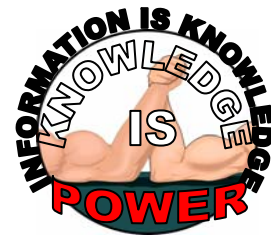

CONFIDENTIAL

The Solution!!!

Tapping the Hidden Job Market
i.e.
Successfully getting jobs that
are not advertised

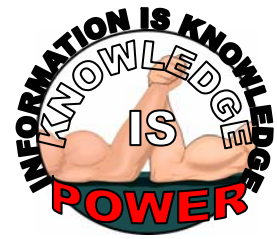

What exactly is the Hidden Job Market?

- According to various media reports, 80% of jobs are not advertized. These jobs could be in almost any industry that shows signs of expansion or successful growth. Most importantly, there is a job in the company that you would like to work for.
- These hidden jobs could be in banks, with the federal government, provincial governments and municipal governments, agencies, etc.
- The hidden jobs could be in places where one least expects them, but, they are there and can be tapped.

Now that we know where the hidden jobs are, we have to follow a system to get those jobs.

Question?

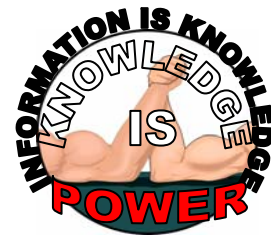

If those jobs are not advertised nor published anywhere, how do we:

- a) Find those jobs?
- b) How do we know whether we qualify for them? and
- c) How and where do we apply for them?

Answer!!

We tap the Hidden Job Market by following a **SYSTEM**

Tapping the Hidden Job Market

The “System”

For details on the “System”, please attend my workshops or send me an email: Tino@Yes-IcanHelpYou.com.

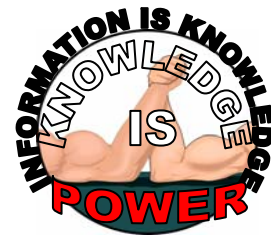

If you carry out the steps in the “System”,
systematically and **persistently**, you will definitely
get the result that you put your effort for.

Good luck and God Bless you!!

*Remember, if you always
do what you have always
done, you will always get
what you have always
gotten.*
